Making disciples of Jesus Christ for the transformation of the world by engaging, and serving our neighbors

MARCH 2024

Together, We Can Do It - Bed Brigade

We are committed to supporting our communities by providing beds to children who don't have one. We sometimes receive "heartfelt" thank you's too!

NEXT BUILD: SATURDAY, MAY 18TH

Holy Yoga Group

After last month's Holy Yoga, several church members expressed an interest in another class with Megan. If you missed your chance the first time, or would like another crack at it, please reach out to the church office or put your contact information on the sign-up sheet outside the worship areas.

Make A Positive Impact

MISSION OF THE MONTH - MARCH

The Portage Lakes Career Center currently has an LPN training program with 50 students.. Your generosity last year made this such a successful endeavor that was so appreciated by the students that we wanted to help them again! (The church received a personal thank you from each student last year!) Many in this program are adults looking to better their potential position and job opportunities and are often single parents with many hardships facing them while they attend this program. The students will be taking their Board certifications in April, so, for our church's March mission, we hope to gather things to help them make April a little easier. In talking with the program director, she suggested personal hygiene items like bath and body wash, shampoo, soaps, hair clasps to pull their hair back, etc., and gift cards for food. Our goal is to offer a number of items of items for each student along with a gift card or two.

So, you can help in a number of ways:

1. Donate hygiene items or hair products

2. Donate gift cards in \$15/\$20 denominations for local restaurants/eateries and/or
3. Donate money for the purchase of gift items or gift cards

Place your items in the designated bins outside the Fellowship Hall or Sanctuary. Label monetary donations or gift cards and place in the offering plate or turn into the church office.

Thank you! The program director has asked me to express her gratitude to all of you for thinking of them. If you have questions, please contact Diane Oplinger at doplinger@aol.com
